"Gets-It" for Corns, SURE as Sunrise!

Any Corn, With "Gets-It" on It, Is an Absolute "Goner!"

Yes, it's the simplest thing in the world to get rid of a corn—when you use "Gets-It," the world's greatest corn-killer. Really, it's almost a pleasure to have corns just to see

"Gets-It" Puts Your Feet in Clover. It loosens the corn from the foot, fresh, easily, and then makes it come "clean" off. It makes the use of tape, corn-squeezers, and razors really look ridiculous. Get rid of those corns quickly, surely, painlessly—just easily—with "Gets-It." For wants and coupons, too. It's the 25th century way.

"Gets-It" is sold by all druggists, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.

Sold in American Fork and recommended as the world's best corn remedy by AMERICAN FORK DRUG CO. and WM. THORNTON'S.

There are too many fathers who will tie up the dog at night and let the boy or girl run loose.

There's no better covering for a house, than the right kind of cedar shingles.

And if they are to be used all over, as they were in this case, it's especially important that they be good. Extra wide shingles tend to split and "cup." Likewise if they are cut from cross, curly-grained wood.

If they are to be durable and weather-resisting, they must not be baked to death in the dry-kilo. That drives the life out of the wood.

In short, there's a mighty difference in shingles.

Thornton Buys Two New Drug Stores

Takes Control of American Fork Drug Co., and the Rostan Drug Store at Murray—Mr. Anderson associated in Murray Deal.

William Thornton this week purchased the American Fork Drug Store, formerly owned by Fon Chipman. It was reported that the deal had been made to the Hedquist Drug Co. of Provo, but for some reason it fell through.

Mr. Thornton is now in charge, with F. A. Shields, a registered pharmacist as druggist. Mr. Shields is a graduate from one of the best schools in America and has had experience in drug stores in Park City and Lehi. Mr. Thornton will add \$1,000 more stock to the supply already on hand, and without neglecting his store on the corner of Main and Merchant St., he will make his new store one of the best stocked and equipped stores in the county.

His other purchase is the Rostan Drug Store in Murray, formerly owned by the Miller-Cahoon people. This is the best store in Murray and its fixtures are equal to any in the state. \$3,000 dollars was spent by the former owners for fixtures alone. Mr. F. R. Anderson, who has been with Mr. Thornton in this city for the past two years, owns half interest in the Murray purchase, and will be in charge of it. Mr. Bridge, who has been in recent charge of the Murray store, will probably take Mr. Anderson's place in American Fork. This will necessitate Mr. Anderson's moving to Murray which will take place next week.

The three stores will give Mr. Thornton a big advantage in buying, as he will now be able to get jobbers rates and cut out the middle man in most cases. He now owns the exclusive rights to sell the Rexall, A. D. S. and Nyal remedies which is another big advantage.

GOOD POTATOES FOR SALE

We will be digging potatoes next week; and will be able to load up any one who comes to the field. Price in field 45 cents per bushel at J. F. Beck's farm, Upper Bench, American Fork. 16-17

Articles of incorporation of Bloomquist Brothers Paint, Glass and Wallpaper company have been filed with the county clerk. The company will operate at American Fork, and will take over and continue the business of Bloomquist Bros. The capital stock is \$5,000, in shares of par value of \$1 each. The officers are: Axel Bloomquist, president; Edith Bloomquist, vice president; Elmer R. T. Bloomquist, secretary and treasurer; these with Hilma Bloomquist and Tracy Woolton constitute the board of trustees.

Who Will Get That \$1,000.00

An unusual question has arisen in connection with the burning of the Opera House that will probably require a decision of the court to settle. Why? The lease was given to Willard Dowd, the man who first had the lease, it contained no provision providing for an emergency in case of fire, as to whether the fire would terminate the lease, or whether it should continue to the end of the five year term. A deposit of \$1,000 in an envelope was made with the Bank of American Fork, and on the envelope was a written agreement, that in case of default of the rent being paid, the opera house owners should be given the \$1,000.

The rent was due last Tuesday; the owners of the lease not having paid the monthly rent, a demand was made for the \$1,000 bond. As a previous order by the owners of the lease had been given to the bank not to pay bond money, the bank was between two fires, and so far has not given either party the money, and probably will not give the money up until told by the court, which is the lawful owner, or until some mutual agreement by the interested parties has been reached.

In the meantime neither party seems inclined to take the necessary steps to get in a court, as the one who takes this step will have to stand the first costs. The owners of the Opera house have been advised by their attorneys not to assume possession of the ruins, and so far, they have not been advised that the lease has been vacated. The question is who will get that \$1,000.

Big Wrestling Match Tonight

Pete Vannos, heralded as the "Pride of Utah," will wrestle George Nicholson at the Apollo Hall tonight. Vannos is a Grecian birth but has been making Lehi and American Fork his home for the past year. Nicholson hails from Los Angeles. Last week the two men went to a draw in the Empire Theatre, Nicholson having challenged to throw any 145 pound man in the state. Those who witnessed the Empire affair say that the men are very evenly matched.

Both men weight 145 pounds each and both declare themselves in first class condition and acknowledged to the reporter yesterday that which ever secured the two out of three falls will be entitled to the welter-weight championship of the state. Other wrestlers are waiting to see the results of this match and will challenge the winner. So that if this match is a success others will be given in this city.

A preliminary between Sam Wilcox of Cedar Valley and a Greek named Omeros of Salt Lake is also advertised.
